### THE OMOLAJAS' RESIDENCE

### AZUS' RESIDENCE A

### AZUS' RESIDENCE B

### THE OMOLAJAS' RESIDENCE AKURE, ONDO. 2015

A classical architectural style was what the client preferred and that requires lots of ornament on the building with high pitch roof. The idea was to stick to the Ancient Greek style, which is classical Architecture, distinguished by its proportions and characteristic profiles and details. On this project we had to model to detail, lots of ornament on the building including the fountain and some other landscape features. This Project was for a Lovely couple in Akure.
